

Wednesday After School Supervision.

We are excited to offer after school supervision at Castle Cove Public school hall on Wednesday afternoons for our Itty Bitty Dance students. Our aim is to make your life an Itty Bitty bit easier on a Wednesday afternoon.

This means busy parents you do not have to pick your child up until their Itty Bitty Dance class finish time each Wednesday – Woo Hoo!

To be eligible to enroll in our after school supervision group students must be enrolled in our 3:45pm Ballet class on Wednesday afternoons.

How it works

Miss Meghan will be waiting in the school hall when the bell rings each Wednesday afternoon. Students must make their way straight from their classrooms to the school Hall. Miss Meghan will then send students to the bathrooms to get changed. Students will be asked to make their way straight back to the hall so we can sit together and chat about their day while they eat their afternoon tea.

We will be ready to start ballet at 3:45pm.

What to pack for your dancer on Wednesday's

- Dance clothes to get changed into.
- Dance shoes
- An extra bag for their school shoes (if their school shoes do not fit in their school bag)
- Afternoon Tea
- Water Bottle

What happens if my child is away?

Parents are asked to kindly notify Miss Meghan if their child is absent from school on any Wednesday via TEXT to 0421571144. Please ensure you text your child's full name. Example: 'Meghan Simpson is absent from school today, so will not be at the hall this afternoon.'

Safety

Safety is always our number one priority. If your child is not at the school hall by 3:35pm you will be notified via phone call. The school office will be notified. The police will be called if your child cannot be located in their classroom, the toilets, the path between their classroom and the school hall or the school office.

Behavioral Expectations

The safety of our students is always our number one priority; it is with this in mind that we expect the same level of behavior that is expected at in the classroom at school. Students must listen to Itty Bitty Dance staff, follow instructions and the rules set out by the teachers.

If any student from the After School Supervision Group does not meet our behavioral expectations, we reserve the right to refuse that student the privilege of being part of this group. No second chances will be given to any student who is not following our safety instructions and who is deemed not capable of getting themselves from their classroom to the school hall in a timely manner. Class finishes at 3:25pm. It is our expectation that students should be sighted by Itty Bitty Dance staff at the school hall by 3:35pm.

Joining the After School Supervision Group.

If you would like your child to be supervised by Miss Meghan from school finishing to Itty Bitty Dance class starting, please complete the After School Supervision Group enrolment form.

Our aim is to make Wednesday afternoons your child's favourite time of the week!
