* TLC troupe is an exciting team for students who are excelling in their regular TLC classes. This special class is by invitation only. This is so we do not overwhelm students who are not ready for the level of dance taught in our troupe classes. Pretty please let Miss Meghan know by emailing info@ittybittydance.com if your child would like to join this class. We would love to hear from keen budding participants. Our troupe classes will challenge hardworking students, build a strong sense of team and confidence while having fun. TLC troupe classes will commence half way through Term One.
